Time : 3 Hrs.                                                    [Max. Marks : 100]

## COMMUNITY MEDICINE– PAPER  I

# Q.P Code : SDUU-114

*Your answers should be specific to the questions asked.*
*Draw neat labelled diagrams wherever necessary.*

**LONG ESSAY**                                          2 X 10 = 20 Marks

1. Describe the epidemiology and  preventive measures of protein energy malnutrition.

2. Discuss the medical measures for prevention of occupational diseases.

**SHORT ESSAY**                                          10 X 5 = 50 Marks

3. Enumerate various types of screening with examples.

4. Describe the disease risk factors.

5. List the advantages of cohort studies.

6. What are the uses of incubation period.

7. Describe the measures of central tendency.

8. Mention the biological effects of radiation.

9.  Classify the insecticides used in the control of arthropods of medical importance.

10. Describe the barriers of communication.

11. Describe the social and behavioural sciences.

12. List some dominant, recessive and sex-linked diseases.

**SHORT ANSWERS**                                          10 X 3 = 30 Marks

13. Discoveries of Louis Pasteur.

14. Isolation versus quarantine.

15. Interventions of specific protection.

16. Define safe and wholesome water.

17. Ratio.

18. Principles of Mid-day meal programme

19. Characteristics of occupational cancers.

20. Maintenance of septic tank.

21. Medical social worker.

22. Cold chain equipment.

✳ ✳ ✳

Time : 3 Hrs.                                                     [Max. Marks : 100]

**COMMUNITY MEDICINE– PAPER II**

## Q.P Code :SDUU-115

*Your answers should be specific to the questions asked.*
*Draw neat labelled diagrams wherever necessary.*

**LONG ESSAY**                                            **2 X 10 = 20 Marks**

1. Discuss the Epidemiology of Tetanus.

2. Discuss briefly Quantitative Management Techniques.

**SHORT ESSAY**                                          **10 X 5 = 50 Marks**

3. Peri-natal mortality rate.

4. Emergency contraception.

5. Under-Five clinics.

6. Indian red-cross Society.

7. Functions of World Health Organization (WHO).

8. Indications for Medical Termination of Pregnancy.

9. Principles of Primary Health Care.

10. Functions of a primary health care.

11. Management of dehydration in a child.

12. Role and responsibility of Accredited Social Health Activist.

**SHORT ANSWERS**                                        **10 X 3 = 30 Marks**

13. Vision 2020.

14. Couple protection rate.

15. Acculturation.

16. Health problems of Aged.

17. Oral rehydration salt solution

18. Vitamin A prophylaxis in children.

19. Cold chain.

20. 17D Vaccine.

21. Schick test.

22. Management of Dog-bite wound.
