Dear Sir/ Madam,

It is our immense pleasure to inform you that, the University Library Learning Resource Centre, SDUAHER, Kolar is organising hands on workshop on **“Cite While you Write: Reference Management Tool-Mendeley”** on 21st January 2026, from 2.00 PM at Dr. B. C. Roy Seminar Hall, ULLRC, SDUAHER for 2023-24 batch PG students, SDUMC.

Mendeley: Mendeley is a reference management tool, is called a citation manager or bibliographic software. This software is designed to help researchers, students, and academics collect, organise, and manage references or citations.

This workshop is aimed to familiarise participants with Mendeley, a reference management tool, and provide hands-on training on effectively organising references, citing sources, and managing research literature using this software. The resource persons of the workshop highlighted the importance of reference management in academic work and explained how Mendeley can streamline the citation process and facilitate literature organization.

The workshop provided step-by-step instructions on creating in-text citations and a list of references using Mendeley. Participants learned how to integrate Mendeley with popular word-processing software and generate citations and bibliographies in different citation styles.

Resource Person:

Dr. Ujval M., Assistant Professor
Dept. of Otorhinolaryngology,
SDUMC, Kolar. He has five years
of teaching experience and has published
scientific research in national and international
journals indexed in Scopus and Web of Science,
as well as book chapters. He conducted many
research workshops and research projects.

Dr. Prakash, University Librarian,
SDUAHR, Kolar. He has thirty years
of experience. He published
scientific scientific research articles in national
journals. He conducted hands-on training on
research methodology, reference management
Tools (Mendeley & Zotero), Selection of Journals
for research publications and plagiarism
(Turnitin), literature search and many more.

1	Hands-on training on “Cite While You Write: Reference Management Tool-MENDELEY” - students for 2023-24 Batch organized by ULLRC, SDUAHER
2	Background /Introduction
	<p>The University Library Learning Resource Centre, SDUAHER, Kolar organised a hands-on workshop on “Cite While you Write: Reference Management Tool-Mendeley” on 21st January 2026, from 2.00 PM at Dr. B. C. Roy Seminar Hall, ULLRC, SDUAHER for 2023-24 batch PG students, SDUMC. The main objective of the workshop was to familiarise the participants with reference management tools such as Mendeley and Zotero.</p> <p>The program commenced with a welcome address by Dr. Prakash, Assistant Professor and Senior Librarian, ULLRC, SDUAHER, Kolar. The workshop was inaugurated by Dr. Prof. Muninarayana C., Registrar, SDUAHER, Kolar. In his inaugural address, he highlighted the significance of citations and references in research, particularly in Ph.D. theses and postgraduate dissertations. He emphasized the challenges involved in manually inserting citations and references in PG dissertations and Ph.D. theses, and explained how reference management tools simplify and streamline this process. He further stated that whether citations are prepared manually or using specialized tools, proper referencing ensures credibility, prevents plagiarism, and helps organize research effectively.</p> <p>The workshop was led by Dr. Ujval M., Assistant Professor, Department of Otorhinolaryngology, SDUMC. He provided an overview of reference management tools, explaining that they are software applications designed to help researchers, students, and academicians collect, organize, manage, and cite sources efficiently in their scholarly work. He emphasized their crucial role in maintaining academic integrity and streamlining the research process. He also discussed the theoretical aspects of reference management tools, including their</p>

	<p>significance, key functionalities, and their impact on academic writing and research documentation.</p> <p>Dr. Prakash, Assistant Professor and Senior Librarian, ULLRC, SDUAHER, demonstrated the practical steps involved in installing the Mendeley reference management tool and Mendeley Cite plugin. He explained the process of creating folders, adding references from websites and PDFs, importing by identifier, manual entry of references, inserting citations in documents, generating bibliographies, and changing citation styles as per journal requirements.</p> <p>The workshop also introduced features such as synchronizing libraries across devices, collaborating through shared groups, annotating PDFs, and backing up references securely in the cloud. It emphasized how reference management tools save time, reduce errors in citations, and ensure consistency in formatting. The session highlighted their importance in enhancing the quality of research manuscripts and meeting journal submission standards. Overall, the workshop empowered participants to produce well-organized, credible, and publication-ready research work</p>
